Mayor Jim Wood and Councilmembers  
City of Oceanside  
300 North Coast Highway  
Oceanside, CA 92054

Dear Mayor Wood and Councilmembers:

As it appears that the City of Oceanside will inevitably move to district elections, I wanted to take this opportunity to express the Oceanside Chamber's commitment to being involved in the process.

As the primary voice for business in Oceanside, the Chamber is committed to ensuring that the interests of our business community are considered in the drawing of the districts. Along those lines, we do plan to attend, and encourage our members to be involved in the upcoming community meetings.

I want to commend the City staff and Council for taking quick action on this issue in order to keep the city out of litigation. We look forward to working with you as the City undergoes the process of preparing for district elections.

Sincerely,
