" I love working with (and for) the Oceanside Chamber of Commerce. They truly help connect the community and its business/government leadership. As a small business owner, I can attest to the quality of my membership investment. I built my buisness through relationships and networking, and this is where it happens! "

" The Oceanside Chamber, and its staff, provide unparalleled guidance in navigating the obstacles of operating a small business. They are always willing to help and answer any questions I may have regarding laws or policies. I am forever thankful for their guidance, especially during the pandemic, as I feel it was the difference maker in my business survival. "
